

Death Doula Consent & Family Agreement

Honoring Your Journey With Compassion

This agreement is a gentle invitation to walk together through the tender path of end-of-life care, embracing each person's journey with respect, empathy, and understanding. Spirit Led Counselling is honored to offer Death Doula and End-of-Life support shaped by compassion and reverence for your wishes.

Scope of Support

- Heartfelt emotional, spiritual, and practical support for clients and their loved ones
- Compassionate advocacy and steady, caring presence throughout your journey
- Encouragement and gentle guidance for family and friends during this sacred time

Limitations

- No medical, nursing, or clinical care is provided
- No legal or financial advice is offered

Client & Family Understanding

- Participation is voluntary and rooted in mutual respect
- Services are designed to complement, not replace, palliative or medical care provided by your healthcare team
- Confidentiality is honored in all interactions, except where legal or safety obligations require disclosure

We walk this path together, holding space for dignity, hope, and peace. If any questions or wishes arise, please share them with us at any time.
